QUOTATION TO Padma Raj Keshri

Designer Portfolio & Publications Archive
Fashion & Retail Designer / Design Educator
Contact: +91 90369 39773

Dear Padma Raj Keshri Sir,

Thank you for the opportunity to discuss your requirements. Based on our conversation regarding the migration of your 100+ publication archives from Issuu to a dedicated self-hosted digital magazine & portfolio platform, we are pleased to submit the following quotation for the complete design, engineering, and deployment of your bespoke platform, along with a strategic **Ad Revenue & Monetization Partnership**.

1. SCOPE OF WORK (CORE PLATFORM)

A. Interactive 3D Flipbook Magazine Engine (Issuu Replacement)

- Realistic animated page-turn & touch-swipe experience for multi-page PDF documents (Kindle / physical magazine feel)
- Fully responsive across smartphones (touch swipe), iPads/tablets (dual-page mode), and desktops with high-res zoom & thumbnail navigation
- Categorization: Fashion Shows, Retail Projects, Education & Workshops, Monthly Editions (Jan, Feb, etc.), and Press Clippings
- Publication Manager: Easy-to-use admin dashboard to upload, update, categorize, or delete PDF magazine editions anytime

B. Gated Access & Automated Lead Generation System

- Mandatory viewer registration wall requesting **Full Name, Email ID, and WhatsApp / Phone Number** before unlocking full magazine reading
- Live Lead Capture & Sync: Captured visitor details are recorded securely and sync directly to an exportable dashboard / Google Sheet
- Returning visitor recognition to avoid redundant re-prompting for verified users

C. Pinterest-Style Masonry Gallery & Monthly Editorial Blog

- Dynamic masonry grid layout showcasing thousands of high-resolution JPEG runway, fashion show, and retail installation images
- Full-screen lightbox zoom and high-speed media preview with progressive image loading
- Dedicated Press, News & Monthly Blog module to publish design articles, newspaper clippings, and milestone achievements

D. Minimalist Luxury Indigo UI & High-Traffic Cloud Infrastructure

- Bespoke luxury editorial aesthetic utilizing your requested **Indigo Color Palette** (Deep Indigo, Slate Blue, Crisp White, Slate Grays)
- 5 Core Page Architecture: Home / Shelf, Magazine Catalog, Masonry Gallery, Press & Blog, About & Direct WhatsApp / Social Contact
- High-traffic cloud storage (10 GB+) & Cloudflare CDN architecture engineered to effortlessly handle 100k–300k+ monthly viral views with near-zero recurring hosting costs

2. COMMERCIAL TERMS & PAYMENT SCHEDULE (18% TAX INCLUDED)

3. STRATEGIC AD REVENUE & MONETIZATION PARTNERSHIP (60% / 40%)

⚡ High-Volume Traffic Monetization Partnership

60% JSP CODERS / 40% Client Split

60%

To JSP CODERS (Ad Ops, Tech & Maintenance)

40%

To Client (Padma Raj Keshri — Traffic Share)

- Monetization Channels:** Integration of programmatic Google AdSense / Header Bidding units on magazine shelf & gallery pages, plus native sponsored brand banners inside monthly PDF flipbook editions.
- NIFT / NID Educational Brand Slots:** Monetizing your 100k–300k+ monthly impressions across 200+ WhatsApp groups with targeted design software, fabric mills, and academic course promos.
- Full Management & Payout:** JSP CODERS handles 100% of technical ad placement, server scaling, and revenue optimization, disbursing 40% net revenue directly to your bank account monthly.

4. PROJECT TIMELINE & POST-DELIVERY SUPPORT

3 Weeks from the date of advance payment and receipt of sample PDF/image assets, subject to timely client reviews.	
Free Technical Support — 3 Months Covers bug fixes, performance tuning, CDN caching verification, and technical assistance after go-live. * Excludes major feature additions which are quoted separately.	Cloud Setup & Deployment Assistance Complete configuration of 10 GB cloud storage, Cloudflare CDN integration, and custom domain linking. * Optional AMC: 10% p.a. after 3 months.

5. TERMS & CONDITIONS

- This quotation is valid for 15 days from the date of issue.
- All PDF publications, editorial text, high-res photos, and domain access credentials will be provided by the client.
- Ad revenue sharing (60% JSP CODERS / 40% Client) is calculated on verified net earnings received from ad networks/sponsors on a monthly basis.
- Applicable GST (18%) is itemized in the commercial table above.
- Project timeline starts upon receipt of the advance payment and necessary initial design assets.
